2 **Resolution for a Bylaw Amendment to Change Project Coordinator Titles**

3

4 **Authored by Ina Kelleher, Amber Akemi Piatt, and John Ready**

5

6 WHEREAS the GA Project Coordinators are responsible for shaping the vision as well  
7 managing the infrastructure of their projects; and

8

9 WHEREAS Project Coordinator duties include overseeing the budget, building relationships  
10 with a variety of university and community stakeholders, designing and implementing student  
11 programming, as well as advocacy action plans on the student and administrative levels; and

12

13 WHEREAS “coordinators” typically execute programming dictated by others and assist with  
14 the more detailed logistics, are expected to meet expectations of predetermined outcomes for the  
15 project, and do not exercise control over their given project budget; and

16

17 WHEREAS “directors” determine the scope, vision, breadth, and depth of their programs and  
18 advocacy agendas, regularly create, revise, and re-shape their strategic goals, and are asked to  
19 manage and reassess their budget and finances annually; and

20

21 WHEREAS the current title is misaligned with the Project Coordinators’ roles and  
22 responsibilities; therefore be it

23

24 RESOLVED that Project Coordinators will now be referred to as Project Directors; and finally  
25 be it

26

27 RESOLVED that the bylaws and other official GA documents be amended to change every  
28 instance of “Project Coordinator” to “Project Director”.
